I used to play a game called Battle Monkeys, it was a long time ago (around 5-6 years at least). Now when I tried to find it it was gone, so does anyone know any alternatives to that game. It was a board game where each player had to jump on different power ups on the board to get abilities and then destroy the enemies. It was a 4-player multiplayer game. And that's all I can remember. So please help if you know anything! Download Accelerated up to 200% with dFast. The warriors gather, the crowd chant your name, are you ready for the most intense battle of your life?
